

## Advanced City Landform Master Class

Location, location, location! Whatever Feng Shui system you are practicing, this comprehensive course is the only landform course you will need to practice first-rate residential or business Feng Shui.

Master Mas will reveal the most provocative new perspectives on principles, theories and practices of landform Feng Shui and show you his special techniques that made him one of the most sought after Feng Shui Masters between continents. He has combined the ancient Feng Shui wisdom and new understanding of Qi to help you 'pinpoint' the most beneficial commercial and residential locations and create the ideal landform.

### Why should you upgrade your landform assessment skills?

- **Gain a deeper & more thorough understanding:** Learn the most provocative new perspectives on principles and theories in landform Feng Shui
- **Earn your merit & facilitate your growth!** Increase your value and reputation as a practitioner to attract new clients and retain old ones
- **Be assured & right to the point:** Pin point the most favorable commercial or residential properties and gain confidence in applying new landform techniques to your professional audits
- **Results that count:** Learn some of Master Mas' unique landform application techniques with proven results that earned him a global reputation

- **Expand your client base:** Your client list will grow exponentially when you deploy unique applications and get observable results
- **Learn new techniques and surpass client expectations:** Gain new understanding of landform Feng Shui and surpass your clients' expectations by implementing potent landform techniques to capture the Qi unique to our school
- **Amazing new skills:** You will be amazed by Master Mas' 8 Principles of Advanced Landform assessment tool
- **Impress your clients:** You will gain immediate acceptance and respect when you discuss with your clients your findings and observable truth from your insightful landform assessment and analysis

## **Who should attend this course?**

Real estate agents, builders, architects, interior designers and landscape architects with prior studies and experience in Feng Shui; professional Feng Shui consultants and Feng Shui students interested in mastery level and gaining a deeper understanding of landform Feng Shui.

Master Mas International Academy Feng Shui Practitioners Course or equivalent is required. This includes ACES, Australian College of Feng Shui, Ministry of Feng Shui, Singapore Feng Shui Centre, Mastery Academy and GM Raymond Lo's School of Feng Shui & Destiny.

## **Why should I study with Master Mas?**

His love of teaching and his seemingly endless capacity to give make him a teacher who is truly dedicated to his student's educational success. So whether you are a professional consultant, a seasoned practitioner or an avid student, you will always find new and interesting knowledge as offered by Master Mas who has devoted his life to the research, study and practice of Chinese metaphysics.

## **Why is this course so special?**

- Rare and unique body of knowledge available only in our school based on Master Mas' passionate dedication to Feng Shui study
- Comprehensive course that explains all the "missing links" you need to understand urban landform Feng Shui
- Clear and concise theories explained systematically
- Highly effective landform Feng Shui techniques made easy to understand; simple to use and uncomplicated to practice
- Unique opportunity to learn the secret codes of landform Feng Shui from one of the most influential Feng Shui masters of our time
- 'See the world with new eyes'. We will have a unique walking tour of business areas in the Melbourne CBD to see real-life examples of landform applications in full action
- We will show you special techniques to measure directions without magnetic interference using sundial, satellite images and sighting compass
- Packed with advanced techniques developed and mastered by Master Mas
- Complete landform course: this is the only landform course you will need to practice Residential and Commercial Feng Shui
- We will show you easy, simple and effective ways of using this powerful body of knowledge
- You will learn Master Mas' 8 Principles of Advanced Landform

## **How the course works...**

- Three days of intensive classroom learning with audiovisual aids
- Guided practical day with a walking tour around the city with Master Mas. Please bring comfortable walking shoes
- This course is personally conducted by Master Mas and assisted by his Certified Trainers
- Language of instruction is English
- We use audiovisual aids to promote efficiency in learning
- We will conduct one hour tutorial before or after the course (TBA daily) when needed. Evaluated daily after the class
- Students will receive a free copy of our workbook. Please bring your favorite writing supplies

## **Here's what you'll learn...**

Once you completely learn the 'Advanced City Landform' principles and theories you will be in an excellent position to give top notch advice and be able to pin point the most advantageous residential and commercial locations. Additionally you will be able to properly deploy potent landform application techniques inspired by our teachings.

In the 4 days, you will learn a much deeper and thorough understanding of the following subjects unique to our school:

- Complete and comprehensive theories, concepts and principles of urban landform
- Advanced Qi analysis of location and direction, including 'Dragon energy' analysis
- Learn the most sophisticated Qi flow analysis of waterways, roads and other Qi distributors and pathways

- Special techniques in 'Location and Space' analysis using the Yin & Yang theory, 4 heavenly creatures, wind & water. Includes extensive analysis and study of modern day roads and architectural structures
- Deeper understanding of waterways affecting financial status and wealth activation methods including why a correct waterway cannot guarantee wealth for the owner
- Analyzing the macro and micro environment of cities, small and large scale residential and business areas
- Determining the best location and enhancing the Qi of a shop
- Advanced 8 Trigrams Landform assessment tool by Master Mas
- The most unique application techniques to enhance residential Qi includes how to choose the best house, apartment or condominium

*"Just after walking past a house or a building without opening the loupan, a true Feng Shui Master should be able to tell the fortune and what can potentially happen to the people living in the house."*

**Master Mas**

Quote from an ancient Feng Shui book:

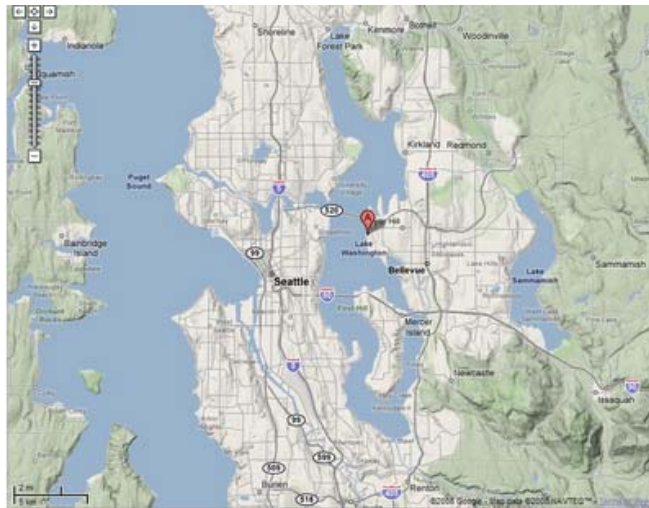

**"巒頭無假，理氣無真" "Luan-Tou Wu Jia, Li-Qi Wu Zhen."**

*"Landform never tells lies and formula (Li Qi) does not necessarily tell the truth."*

## **Advanced 8 Trigrams Landform**

It's not just 5 Elements or 9 Stars Big Dipper Mountains Forms. In this advanced level it is more difficult because of the confusing system of Yin/ Yang Theory. Yin can change to Yang and Yang can change to Yin.

**Note: We reserve the right to alter or change the contents of this course without prior notice.**

## **Recognition of Merit**

- At the end of the course you will receive the Master Mas International Feng Shui Academy Advanced City Landform Certificate of Attendance

## **Conclusion of the Course**

- Once you completely learn 'Advanced City Landform' principles and theories you will be in an excellent position to give top notch advice and be able to pin point the most advantageous residential and commercial locations. Additionally you will be able to properly deploy potent landform application techniques inspired by our teachings.

## **Keep up your good work**

- We encourage all our students to participate in our *Online Forum* so that you can post your questions and answer some of

your colleagues'. You can also pick up some helpful tips and hints. Fellow students, instructors and Master Mas will try to provide valuable assistance.

- After this course, we also encourage our students who want to achieve the **Feng Shui Mastery Diploma** level to practice what they have learned for at least a few months before completing other required Master classes.

## **Value of Your Efforts**

- The true value of this knowledge is when you, your family and friends experience the true essence of Feng Shui.

## **Application and Admission**

Q: How many students are there in the class?

A: We adjust our courses accordingly because we want to keep the student-to-teacher ratio high so you get plenty of personalized attention and also so you can get to know your fellow trainees very well. Smaller groups are more cohesive and supportive for study.

## **How much does it cost?**

Investing in your education is one of the smartest things you can do and this course will pay for itself many times over both personally and financially. Professional programs of this caliber have the potential to increase your earning power as a Feng Shui practitioner.
